

WireFree™

100% wireless motors for interior window coverings.

Get your creations moving...

...it will change everything!

With Somfy, take control of your interior window coverings...

Somfy offers an innovative and simple line of completely battery-powered WireFree[™] motors. These motors install in minutes and provide a perfect solution for areas where access to traditional power outlets or wiring may be a challenge, such as skylights and doors. This allows the ability to create the best living environment with optimal natural light levels at the press of a button.

Roller/Solar Shades

Cellular/Pleated Shades

WireFree[™] Range
